Call Summary

CLEARWATER, Fla. -- The city of Clearwater's Community Redevelopment Agency (CRA), in partnership with the Clearwater Public Art and Design Board and the Downtown Development Board, is seeking artists to design and paint a series of murals on public and private properties throughout Downtown Clearwater. Applications are due on Monday, July 9, 2018, and the selected artists will be notified by Friday, July 20, 2018. Murals must be completed by January 31, 2019. The budget for each mural will range from \$5,000 - \$20,000 depending on the size and complexity of the artwork.

Project Description

The Clearwater CRA is charged with implementing the downtown vision for Clearwater, Florida, which is the city's historical center. The 2018 Downtown Redevelopment Plan recommends the use of public art to create a high quality public realm. As part of its public art strategy, the CRA is commissioning artists to design and paint five to seven murals that will be visible to the public as they are walking and driving through Downtown Clearwater.

Art Goals

This is the first large scale mural project in Downtown Clearwater, and it will help set the tone for future public art projects. The CRA seeks to establish a visual look and feel that distinguishes Downtown Clearwater from Clearwater Beach and surrounding communities. We are seeking experienced mural artists with a strong point of view and the ability to create complex, engaging designs. Artists are welcome to use Clearwater's history, signature events and physical environment as inspiration; however, the final designs must go beyond the simple visual representation of an object or event.

The following sites have been confirmed to receive murals. The exact size of the mural and location on the building will be determined in collaboration with the CRA staff, the artist and the property owner.
