### **Project Description**

The Clearwater CRA is charged with implementing the downtown vision for Clearwater, Florida, which is the city's historical center. The 2018 Downtown Redevelopment Plan recommends the use of public art to create a high-quality public realm. As part of its public art strategy, the CRA is commissioning artists to design and paint two to four murals that will be visible to the public as they are walking and driving through Downtown Clearwater.

### **Art Goals**

This is the second stage of a large-scale mural program in Downtown Clearwater, and it will help inform future arts and cultural development. The CRA seeks to establish a visual look and feel that distinguishes Downtown Clearwater from Clearwater Beach and surrounding communities. We are seeking experienced mural artists with a strong point of view and the ability to create complex, engaging designs. Artists are welcome to use Clearwater's history, signature events and physical environment as inspiration; however, the final designs must go beyond the simple visual representation of an object or event.

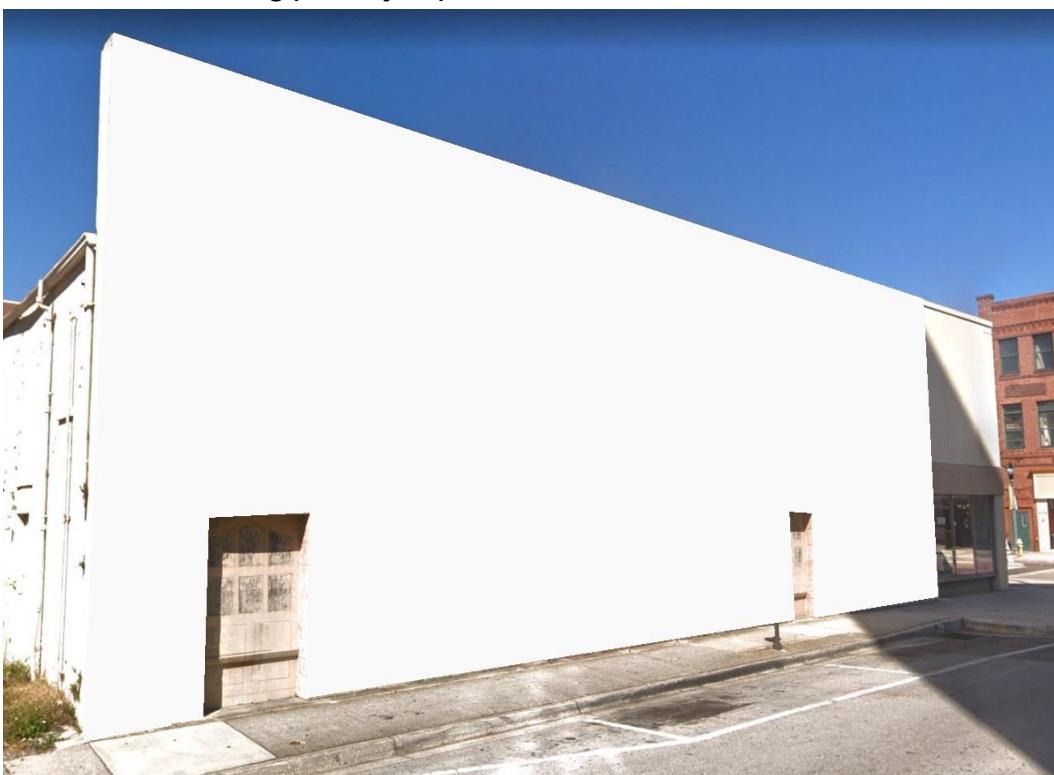

### **Mural Locations**

The following sites have been confirmed to receive murals. Other locations and artist recommendations will be considered. The exact size of the mural and location on the building will be determined in collaboration with the CRA staff, the artist, and the property owner.

**2. Commercial Building (east façade) – 533 Cleveland Street**
