Downtown Clearwater CRA

Dear Friend,

We invite you to see the beautiful and sometimes quirky aspects of our world through the eyes of a thoughtful optimist at **“Daydreaming: Niki Butcher’s Hand-Painted Photography”**. Through her black and white photography, Niki captures places and people that stand out as unique, endangered, and authentic. But what sets her work apart is her use of color as she breathes life and imagination into these photographed scenes, creating a picture of life far beyond what a camera could capture.

Visit "*Daydreaming*" the new art exhibit featuring over 60 images created over five decades and experience a view of the world that adds a bit more color, a good dose of humor, and an infusion of positivity. Now open at the Clearwater Public Library.

Join us on Saturday, July 9th for the Artist Meet and Greet with Niki and Clyde Butcher and Exhibit Grand Opening Celebration from 11:00 am - 1:00 pm.
